## **THEME #6**

### **Sustainable, Effective Regional Networks**

The final Theme included Panel 9 “Reports of Regional Meetings and Workshops” in which designated spokespersons shared the findings of the Regional Workshops and presented elements for incorporation into the strategic plan of INECE and a work program for the Region and panel 10 “The INECE Strategic Vision” which included presentation and discussion of the future vision for INECE, including Strategic Plan as charted with the input and recommendations made during the Conference.

The regions reported on were:

- Africa
- Asia & Pacific
- Central America & Caribbean
- Europe
- North America
- South America
